## SEAMLESSLY INTEGRATING INTERMODAL SOLUTIONS INTO YOUR SUPPLY CHAIN

Shipping containers by rail and road is the lifeblood of commerce. And in North America, no company is more dedicated to helping you than IDI. In fact, IDI is well-known as one of the most respected midsize intermodal transportation companies in the U.S. We've earned that distinction by assembling an intermodal freight team with more than 200 cumulative years of experience that's focused on your business and exceeding your expectations on every load.

Our years of experience, our long-standing relationships, our access to over 130,000 containers, plus our commitment to service allow us to offer:

- *The most competitive rail rates and services available*
- *A large network of drayage service providers to ensure safe, professional transit*
- *State-of-the-art technology that allows you to input orders, check rates and track loads online*
- *A cross-organizational team that personally handles the progress of the shipment and keeps you informed of its status*
- *Seamless execution of road-to-rail conversion, which lowers your costs and carbon footprint*

Our intermodal services include:

- Transcontinental and regional options
- Cross-border shipping between Canada and the U.S.
- Cross-border shipping between Mexico and the U.S.
- Domestic and marine container options
- Ability to transload from and between container, truck and flatbed

## INTERMODAL TEAM

To build our intermodal team, we select employees who have a wealth of experience in the area of intermodal freight. These team members have all shown excellent customer service and problem-solving skills, as well as the ability to determine the intermodal option that delivers the best value.

### OTHER SERVICES
